We have discussed your offer with reservations at the Two Doors 24 East Park Street, NEWARK, on the first floor of the hotel Carlton and they too are very excited. We have offered three alternative dates, as follows:

1. 1990年12月，在《中国环境报》上，刊登了“中国环境状况令人担忧”的文章，指出中国环境状况令人担忧，并呼吁全社会关注环境问题。

We anticipate the doors of the Club Eden would open at 6 p.m., and disco dancing would run from that time until 3 a.m., except for showtime. Showtime we would anticipate running from approximately 9:30 to 10 p.m., depending upon the availability of any other performers such as a young artist from Newark we might recruit for the same day. Club Eden would provide a brief warmup show.

As you may gather from recent mailings, this event is a very important step in terms of our ability to raise public consciousness, stimulate awareness, and recruit additional volunteers, as well as raise much-needed funds. Your generosity offers to provide direct assistance to our efforts is very much appreciated.

For promotion purposes, we would appreciate receiving several black and white photos of you (perhaps four 4" x 6" and one 8" x 10) and a biographical sketch for which we would be happy to compensate you.

If you have any questions or suggestions please call me at 824-3900 or 423-3477. In any event, please inform me on or before August 9th as to your possible choice of date.

Many thanks again.

With Warm Regards,

Derek T. Winans
